

What's the Next Best Thing?

Introduction: Turnkey solution to launch free-floating carsharing operations

A few of our free-floating projects around the world

Evo
1250 cars
Vancouver

Emov
500 cars
Madrid

Autobleue
200 cars
Nice

Green Mobility
450 cars
Copenhagen

Communauto
600 cars
Montreal

What's the Next Best Thing?

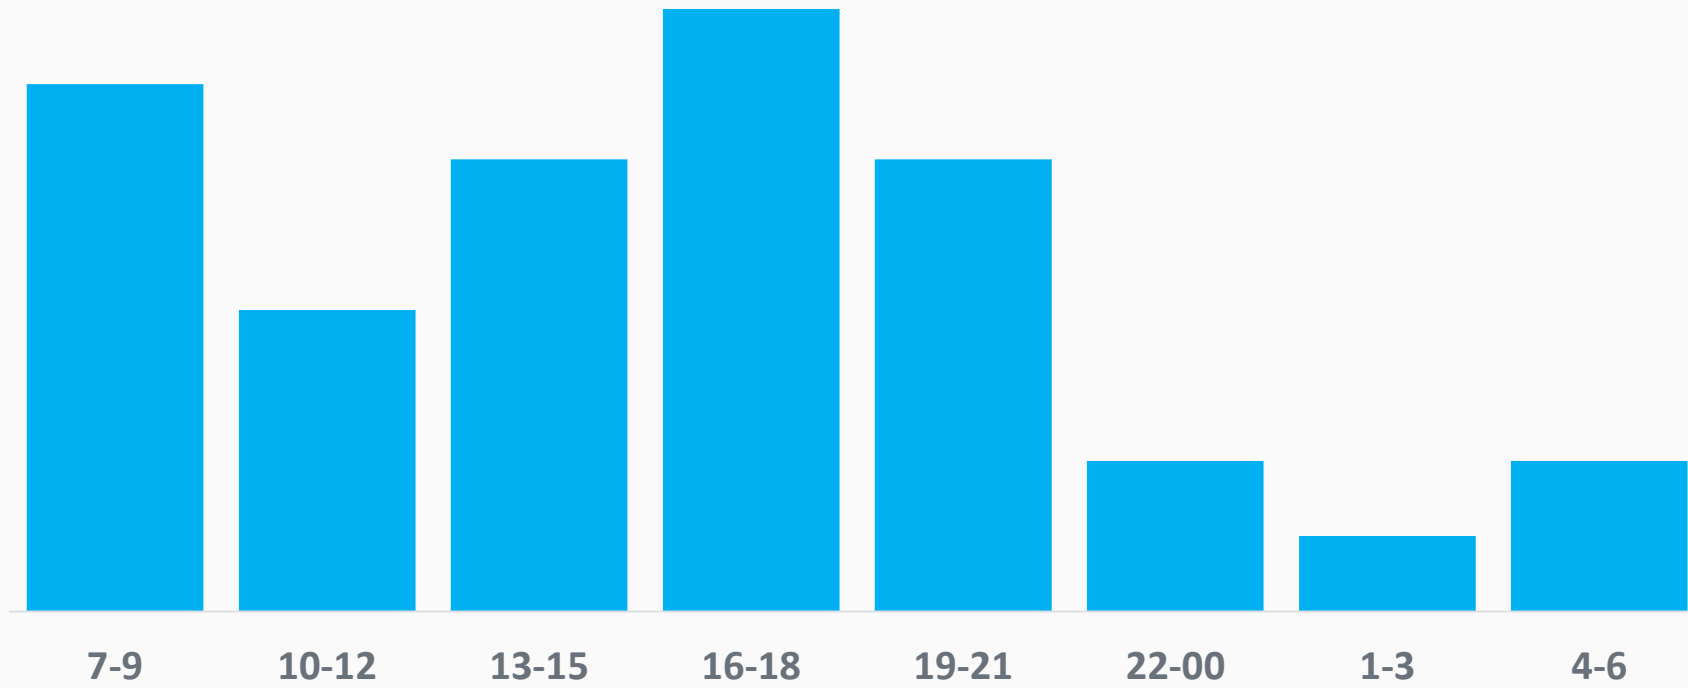

The Quest for Higher Utilization

Thing #1: Transition to Free Floating

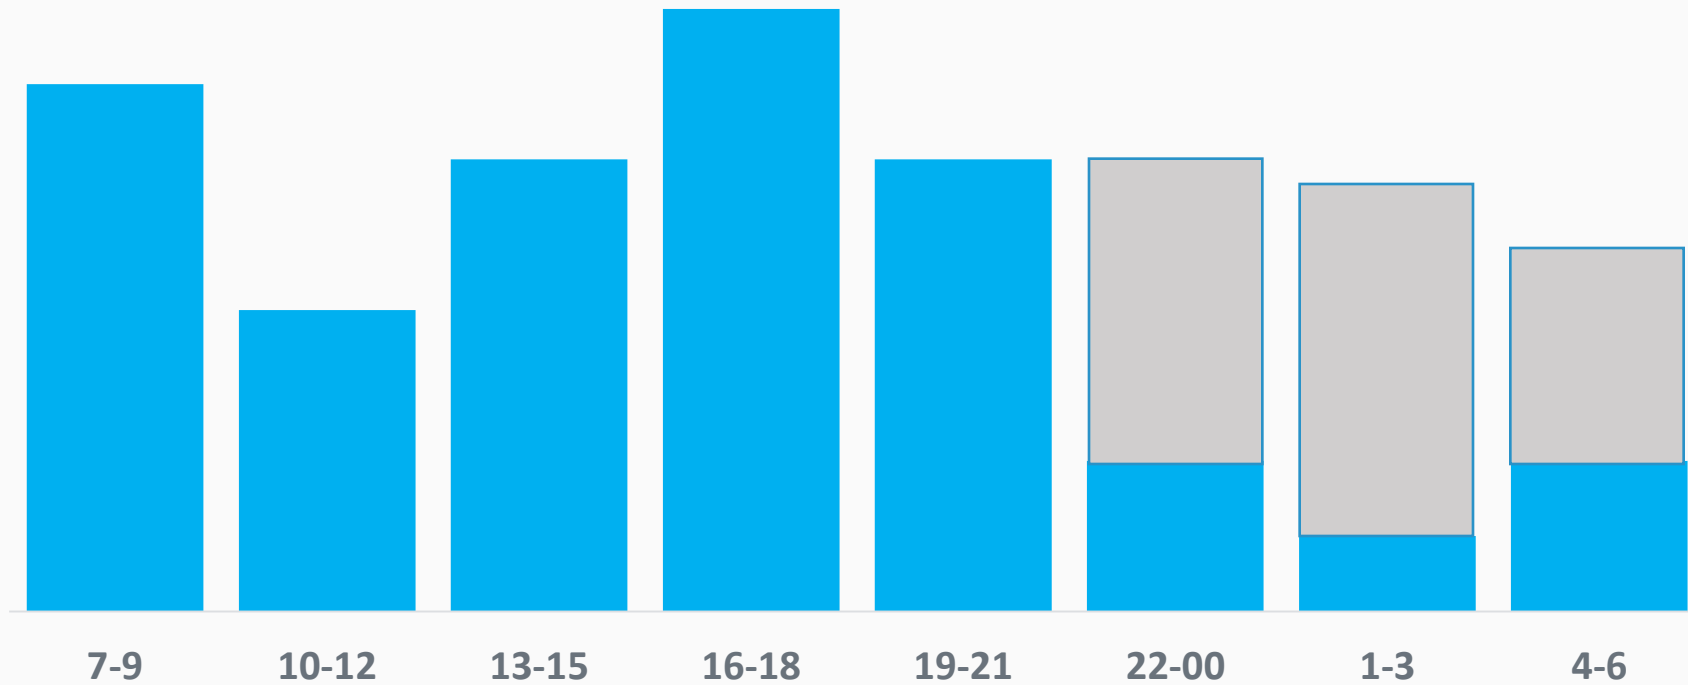

Thing #2: Business Model Shift

Thing #3: Convergence Between Mobility Services

Typical free-floating fleet usage

Typical free-floating fleet usage

At night, fleet asset can be utilized for other mobility services

Thank you!
